May 9, 2018

Mr. Dan Malarik  
Anaren Microwave Incorporated  
MSK Products  
6635 Kirkville Road  
East Syracuse, NY 13057-9672

Dear Mr. Malarik:

Re: Classes K, H, G and E, MIL-PRF-38534 Certification, MIL-PRF-38534, FSC 5962,  
VQ(VQH-18-032638), CN 062572

Your hybrid facility at the above address was sample audited from March 28-30, 2017 for compliance with MIL-PRF-38534 Classes K, H, G and E. An acceptable level of confidence has been established that compliance with these requirements exists. Therefore, your company is considered a certified Classes K, H, G, and E manufacturer effective May 9, 2018.

This certification is for the following:

- a. Quality Management Plan: Quality Control Manual MS 50 Revision V
- b. Conversion of Customer Requirements: Procurement Document Quality Requirement Review MS 26 Revision AG
- c. Controlled documentation baseline for processing MIL-PRF-38534 devices:
  1. Baseline Listing, Form 8368, dated 05/14/2018
  2. Quality Conformance Inspection (QCI) MPI 5008 Revision AE
  3. Generic Flow Chart Class K 2422-2739 Revision H
  4. Generic Flow Chart Class H 2422-1518 Revision U
  5. Generic Flow Chart Class G 2422-1518 Revision U
  6. Generic Flow Chart Class E 2422-9936 Revision D

This certification is valid until terminated by written notification from the qualifying activity. The normal period of certification is two years from the date of the audit and, if warranted, may be withdrawn by DLA Land and Maritime at any time. Your facility may be re-audited on a drop-in basis at any time.

All screening, qualification, conformance, and periodic inspection must be performed at a facility which has a DLA Land and Maritime VQ letter of Laboratory Suitability for the applicable test method and condition. QML manufacturers shall notify the qualifying activity immediately after learning of a potential issuance of a GIDEP alert, problem advisory or major quality/reliability problem affecting QML products.

This includes failure to perform screening or sample testing (including inspection) in accordance with MIL-PRF-38534. Failure to provide notification may be grounds for removal from QML-38534.

If you have any questions concerning this letter, please contact Ms. Tonnu at (614) 692-0586.

Sincerely,

ALAN WILL  
Chief  
Sourcing and Qualifications Division
